9. Peter McConnell - *WasteBAGsket*
10. Robert E. del Sol - *System for Power Extraction and Recovery*

It is wonderful to see we have so much creative & entrepreneurial talent here in San Diego!

Congratulations again to Peter, a great product to help save the environment & great presentation!

Each month the SDIF focuses on a topic relevant to inventors and shares knowledge and experience. We network inventors and builders, artists, designers and engineers, legal, business and marketing service providers to discuss all aspects of product development.

Every product idea is a business opportunity!

Hundreds of inventors in our group represent hundreds of new businesses. Developing this natural resource, to help grow the local economy and create new jobs is why we meet.

Have an inventive day!
