Oct. 9	“Inventing 101”	- rapid prototyping
Nov. 13	“Patents 101”	- patent info
Dec. 11	“Marketing 101”	- marketing info
Jan. 8	“Business Plan 101”	- preparing your roadmap
Feb. 12	“Funding 101”	- funding info
Mar. 12	“Manufacturing 101”	- manufacturing info
Apr. 9	“Success Stories”	- licensing info
May 14	“Team & Network building”	- skill building

Each month we will bring in inventors that are on the road or have reached the point of sales to share their stories.

Each month we will have speakers whose professions are of interest to inventors.

Every month you will have an opportunity to introduce yourself, your ideas and ask for whatever type of help you are looking for.
