

# INVENTORS FORUM

## S A N D I E G O

Calling all inventors!

**On July 9<sup>th</sup> SDIF is holding an Invention Contest** for local 10 inventors. This is a great public reaction test for your idea and chance to introduce yourself to local entrepreneurs. Inspire and impress your fellow inventors. Audience vote will establish a score we will use to calculate a winner.

5 minutes to present, 5 minutes for Q&A. I will moderate.  
We look to see your inventive solutions to improve our lives.  
Best New Invention award is \$500, second place \$400, third place \$300.

We prefer inventions patented and or developed and marketed in the last two years. We will preferably judge inventions that have some type of patent protection and have some business plan with basic market numbers. This is not an absolute requirement to show. Some ideas are marketed without patents.

There will be press and we will be sending our contest news to the local news.  
Please consider the ramifications of publicity about your invention if it doesn't have legal protection at this time. The inventor is totally responsible for the outcome of the publicity generated from this entry.

To Enter: Send us your name and your invention name by 5pm June 26<sup>th</sup>

July 9<sup>th</sup> SDIF Invention Contest will be held, thanks to Sheppard Mullin, at their office located at:

[Sheppard, Mullin, Richter & Hampton LLP](#)  
Del Mar Heights  
12275 El Camino Real, Suite 200  
San Diego, CA 92130

RSVP ASAP We will only have time for 10 presentations.
